

IEA Bioenergy Task 36: Integration of energy recovery into solid waste management
Draft agenda for meeting 15-16th November 2012

Morning 15th November

08:15 – 14:00	Half day excursion to Spittelau Incineration plant in Vienna (see: http://www.ieabioenergy2012.org/topics-programme.html)
------------------	--

Afternoon 15th November Venue: TUVien Lecture room: “Lehar 01” Building BC 01 A46 Floor 1.

14:20 – 14:40	Welcome to meeting and introductions
14:40- 17:30	Discussion session: Methodologies for measurement or estimation of the biogenic content of waste. Presentations: <ul style="list-style-type: none"> • Pat Howes Introduction of topic • Professor Rechberger and Dr. Johann Fellner of TUVien on the mass balance method of estimation of biogenic content. This will include discussion of the BIOMA model. • Giovanna Matignon of RSE on the review of methodologies for biogenic content of waste.
17:30 – 18:00	Discussion of other Topic reports.

Coffee at 15:30

Friday 16th November 09:00 – 18:00 Venue: Orangerie Schönbrunn

09:00 – 10:00	Pat Howes: Update of ExCo 70 meeting, including update on proposals for the next Triennium
10:00- 12:30	Presentations of Final Drafts of remaining Topic reports: <ul style="list-style-type: none"> • Topic 2: IAWARE Biorefinery concept: examination of the impact of different configurations of waste treatment options on energy recovery from waste. • Topic 4: Life cycle assessment of the options discussed in Topic 2 • Topic 5: Management of Residues from Energy Recovery by Thermal Waste-to-Energy Systems and Quality Standards
12:30 - 13:30	Lunch
13:30 – 18:00	<ul style="list-style-type: none"> • Continuation of Topic reports if necessary • Discussion of small scale EfW topic report for next triennium • National reports – one will be expected from each country • AOB

Coffee at 10:30 and 15:30
